

Dip Wraps (or Roll-ups) with Rustlin' Rob's Hatch Chile Cream Cheese Dip

HEAT LEVEL: MILD

INGREDIENTS:

1 jar [RUSTLIN' ROB'S HATCH CHILE CREAM CHEESE DIP](#) (refrigerate before hand)

6 slices of ham deli meat

6 slices of turkey deli meat

6 slices Cream Havarti cheese

6 burrito-size flour tortillas

DIRECTIONS:

Spread Hatch Chile Cream Cheese Dip in a thin layer onto each tortilla; be sure not to put on too thick or it will squish out the edges

Cut meat and cheese in half to make it fit.

Add layer of ham 1/3rd of the way up on the tortilla, then add turkey and Havarti cheese all to one side of wrap.

Start small, and *tightly* roll up tortillas and chill for at least 1 hour.

Slice chilled wraps into 1-inch pieces and serve.

Note: Feel free to use spinach or sun-dried tomato tortillas to add some color—and flavor—to your wraps.
