

Pumpkin Cheese Ball made with Rustlin' Rob's Dip Mixes

Ingredients:

16 Oz Cream Cheese, Softened

1 packages of any Rustlin' Rob's Dip Mix (we used [Baked Enchilada](#))

1 jar spreadable cheddar

1 Bag Nacho Cheese Doritos

The Stem of 1 Bell Pepper

Directions:

Combine softened cream cheese, spreadable cheddar and Rustlin' Rob's Dip Mix of your choice in a small bowl and combine with a hand mixer.

Roll into a ball on a piece of plastic wrap and place into the refrigerator for at least 2 hours or the freezer for about 30-40 minutes.

In a bag or bowl, smash about 2 cups of Doritos into small pieces. Once cheese ball has hardened, roll into Dorito crumbs and press bell pepper stem into the top of the ball.

Serve in the center of a plate surrounded by blue corn tortilla chips!

NOTE: You can make this a day in advance, just make sure you refrigerate and then remove to let it soften about 30 minutes before serving. You can also add more or less of any of the ingredients and spices to make the ball fit your taste.
