

Sausage Rolls made with Rustlin' Rob's Peppercorn Parmesan Dip Mix

HEAT LEVEL: MILD

Ingredients:

1 lb. Sausage

1 8 oz. Cream cheese (softened)

2 cans crescent rolls

Poppy seeds

1 package [Rustlin' Rob's Peppercorn Parmesan Dip Mix](#)

Directions:

Heat oven to 350 degrees. Fry sausage and drain off fat. Combine sausage and softened cream cheese, and dip mix together in a bowl and chill.

On a greased cookie sheet open the crescent rolls but leave 2 together to form a square. Pinch the seam together to make as one square. Add sausage mixture across the opened crescent roll. Roll up the crescent roll and pinch all ends and sides. Sprinkle tops with poppy seeds. It should look like a long log shaped roll with pinch ends. Bake for 15-18 minutes or until golden brown. Cut each log roll into 4 pieces and serve hot. Makes 32 pieces.

Note: Can microwave cold cream cheese, cut into chunks, for 40 seconds.
